

The Ontario Association of Residents' Councils (OARC) REAL Group is Expanding!
Members of the REAL group broaden our perspective to reflect more diverse lived experiences of people living in LTC.

- Are you an engaged resident living in an Ontario long-term care home?
- Are you interested in lending your voice and experience to discussions at the community and provincial levels to educate others and inspire change?
- Would you welcome opportunities to provide advice and consultation to government, media, students or other stakeholder advisory groups?
- Do you bring a regional, cultural, lifestyle or health-informed perspective that you'd like to see reflected on our REAL group?

If you answered YES to any questions above, we want to hear from YOU! You don't need to be a Residents' Council expert or have any specific training to apply. And you choose which projects you would like to be involved in that fits your strengths, interests and time commitment.

Please express your interest by completing a [Getting to Know You form](#) and forward to Melissa McVie at mmcvie@ontarc.com. Positions open until filled.

The Ontario Association of Residents' Councils (OARC) is the provincial leader in reflecting the voice of residents to educate the community, strengthen Residents' Councils, and work with stakeholders to improve the quality of living in LTC homes.
