

Ontario Association of Residents' Councils

Residents' Council Membership Application

OARC promotes the vision that every long-term care resident in Ontario shapes the place they call home. This is achieved through ongoing communication, meaningful engagement and collaboration between residents, their Residents' Councils and their LTC teams.

OARC membership support has enabled us to do our work and has strengthened our ability to elevate, educate and share home-level lived experiences from individual Residents' Councils with our Ministry of Long-Term Care and other sector partners committed to enhancing those realities.

OARC is funded through the Ministry of Long-Term Care, sponsorships and Residents' Council memberships. Membership is open to all Residents' Councils in Long-Term Care Homes in Ontario.

Annual members receive a welcome letter and membership certificate to display in their long-term care home. New members receive a full package of tools and publications to support their Residents' Council, a welcome letter and a membership certificate. All members receive discounts on purchased goods and events.
