Murray Woodcock

Murray Woodcock is a resident of Extendicare Brampton and has been President of the Residents' Council at his home for the past 4 years. Murray got involved in his Residents' Council to ensure that residents are receiving the care that they are entitled to.

Murray has served on the Ontario Association of Residents' Council Board for the past year. He is passionate about Food Services and improving the dining experience for residents, noting that "much more needs to be done, but it must start with more Ministry funding."

Murray has work experience in retail and sales management and has served on previous Boards in his community.

As Director with OARC, Murray's personal goal is to continue to work towards more funding for LTC to improve the health, happiness, and security of all residents.
