

Celebrate Teamwork

*Residents' Council Members from
St Josephs Continuing Care Centre, Cornwall*

Residents Councils' play an important role in shaping the place residents call home. They bring residents together as peers, to discuss issues of importance and to stay connected and engaged in home operations and decision-making.

The Council is intended and designed to form the collective voice of all residents who reside in the long-term care home, whether or not they attend meetings. All residents have the right to participate in the Residents' Council.
